Deduct, payment  
boxes in the front of  
the building and in  
the alley, payment via  
e-statement and  
automatic credit  
card payment.

## Pulaski Project near the End

This summer we have been working on getting fiber to the customers in Pulaski. When the project is completed, we will have reached another 95 customers with approximately 10 miles of fiber.

We also have enough fiber coming out of the Pulaski Central Office to serve the rest of the area as we move forward. Your Cooperative remains committed to reaching as many of our customers as possible with fiber to the home.

This is the fiber feeding the customers.

## CMTV Update

Since the end of July, Citizens Mutual TV service is the only provider in Davis County to carry Bloomfield Cable News, which can be found on Channel 7.

We have also updated our channel lineup. If you would like a pamphlet stop by our office and pick one up.

If you are having troubles recording all of your programs on your current DVR we have a Premium DVR that records 6 programs while watching another and has picture-in-picture capability for \$14.95 per month.

## Auto Payment

You can save time and not have to worry about paying late with CMTEL's convenient automatic payment option. Payments can be made via checking accounts, savings accounts, or a credit card at no additional cost. Payments are automatically withdrawn on the 20th of each month. If the 20th falls on a Saturday or Sunday, it will be pulled the next business day. You will still receive your bill on the first of the month to let you know what amount will be withdrawn.

Stop in our office to sign-up for this option.

## Do you need a new appliance?

Refrigerators, stoves, dishwashers, washers, dryers, etc.
